4. That a suitable building should be found for housing the School temporarily, until a new building is constructed and the rent, if any, should be met from the funds of the Municipality; and

FINANCIAL SECRETARIAT

Procedure re Submission of reports to Government re
Loss of Stores, etc.ORDER NO. FL. 1603-1665—G. F. 95-45-1, DATED BANGALORE,
THE 18TH SEPTEMBER 1945.

Under Article 37 of the Mysore Civil Account Code, Volume I, Heads of Departments and Deputy Commissioners are expected to report to Government on their occurrence or immediately on discovery, all cases of embezzlement or loss of public money or stores resulting from fraud or the negligence of individuals or other cause. In the case of the Electrical Department, a Special Order has been issued in EDS. 120-122, dated the 16th July 1941, directing that all cases of loss of stores by theft, fire or other causes, including the theft of copper wire from distribution lines, should be reported to Government except where the value of such losses does not

Government consider that it is necessary that the procedure adopted in all offices for reporting such cases should be uniform. They accordingly direct that in future, Heads of Departments and Deputy Commissioners of Districts should report to Government only losses exceeding Rs. 25 in value on account of fire, theft or other unusual causes and that in other cases no report need be made to Government unless the value of stores lost or written off is Rs. 250 or above.

The above rule regulates the submission of cases to Government relating to loss of stores on account of fire, theft or other unusual causes. As regards power to write off losses that occur in the usual course of business, such as writes off of unserviceable stores or writes off on account of breakage, wastage, scale errors, etc., which come under normal causes, Government direct that the existing powers vested in the several officers will continue to remain unaffected. The Comptroller is requested to issue necessary amendments to the Account Codes.
